

Volunteer Community Fundraiser Role Description

You are helping to give mental health advice and support to more people, to keep pushing for better services, and to raise awareness and understanding of mental health.

About the Charity

Mind in Salford is an independent charity providing vital services that make a positive difference to the wellbeing and mental health of local people. We represent the voice of Salford in campaigning to dispel stigma and influence political, social and cultural change around mental health.

The Volunteer Community Fundraiser role is a great way to help out in your local community without having to dedicate a set amount of time to us. We are looking for volunteers who have a passion for fundraising, who want to get stuck into organising events and activities in the local community.

Role Description

The Volunteer Community Fundraiser will be a key part of the Fundraising Team, organising your own fundraising activities and events to support the charity. You will report directly to the Fundraising Officer, who will offer you support and guidance throughout whilst also sharing regular updates to you on upcoming opportunities to get involved with.

This could include (but not limited to):

- Working individually or as part of the community fundraising group to organise and deliver small fundraising events/activities in the local community
- Promoting your activity/event with the help of the Fundraising Officer
- Opportunity to support other events affiliated with the charity (such as attending and supporting the Manchester 10k participants for Mind in Salford).

As outlined above, there will be the opportunity to get involved with other volunteer community fundraisers and work as a team. We will support your fundraisers regardless of the size or amount raised, each and every penny means the world to us and those who we help.

T: 0161 710 1071

Mind in Salford is a registered charity – No. 1156625

What will I gain?

- You will become a valued part of our fundraising team and volunteer network at Mind in Salford.
- Introduction pack to the role as well as a bundle of fundraising resources.
- A designated contact to offer support and guidance from the get go.
- Being a part of a recognized and influential charity in both Salford and Greater Manchester will give you invaluable skills and experience into the charitable world.
- Add skills to your CV.
- Opportunity to attend regular volunteer meetings and socials.

Time Commitment

There is no required time commitment for this role due to its voluntary nature. We would love for you to organise around three events or activities each year in order to bring in as much important funds as possible, however we understand that other commitments can get in the way. If so, that's fine - we appreciate any time given to us with opportunities for other involvement being available throughout the year.

If you would like to do more than three fundraisers, amazing! The sky is your limit and we will support you the whole way.

Location

Events will be based within Salford and Greater Manchester.

For any more information or further supporting materials please contact Emily by emailing Fundraising@mindinsalford.org.uk
