

# Volunteering with us

**Mind in Salford is looking for volunteers to support us with our fundraising. If you wish to support or give back to your community in some way, why not dedicate some time and volunteer with a local mental health charity?**

If you are confident on the phones discussing our charity with people or have a flare for event organisation, please get in touch.

Skills we believe are suited to fundraising include:

**Lived experience of mental health issues, being receptive to new information, good phone manner, good record keeping , excellent time keeping, compassion and empathy. Our Fundraising Manager is on hand as support at every stage. Get in touch today to arrange a chat!**

# Community Volunteer

## Role Description

Fundraising and raising awareness of Mind in Salford in supermarkets and community spaces by collecting donations from members of the community, passers by and those in need to our contact details ,social media and our website.

## Expectations for the role:

- Fundraise with a minimum of one other person in a public place for 4-8 hours at a time.
- Speak to people about MIS and direct them to our website and contact details.
- Collect donations in a respectful way. Tin shaking or shouting is not permitted.
- Represent and raise awareness of Mind in Salford in public spaces, at sports clubs etc.
- Show people a range of leaflets relating to mental health, which they can take home.
- Feedback any challenges or opportunities that arise to the Fundraising team.
